in large fees and how to get them albert v harmon presents a pragmatic approach to the fiscal realities that face modern physicians composed with a blend of didactic prose and elucidating examples the book operates within the nexus of professional ethics and economic insight harmon dissects the assumption that medical practitioners thrive financially offering a methodical argument for the professional s right to financial stability and independence employing both philosophical reasoning and tangible strategies the book situates

itself within a unique literary context filling a niche in the discourse surrounding the financial aspects of medical careers often overshadowed by more clinically focused discussions. Albert V. Harmon, whose experience and insight into the economic spheres of the medical profession qualify him to navigate this complex subject, wrote with the conviction that financial competence is a legitimate and necessary goal for practitioners. Drawing from his first-hand observations of the economic challenges faced by physicians, Harmon endeavors to bridge the gap between the medical vocation's inherent altruism and the pragmatic necessity of fiscal sustainability, which serves as the foundation of his book. *Reason and Reharmon's Large Fees and How to Get Them* is an essential read for medical practitioners seeking to understand and improve their financial standing without compromising their professional integrity. It speaks boldly to a reality often silenced by the nobility of the medical practice, offering valuable guidance and support to those navigating the tumultuous waters of economic viability within their noble calling. This book comes as a highly recommended addition to the personal library of any physician concerned with constructing a financially secure future amid an increasingly complex healthcare landscape.

Bestselling Australian Slow Cooker Cookbook series, over 150,000 copies sold, a book for every parent who wants to be free from mealtime tussles with their kids. Amazing books they get used at least 5 times a week, sometimes more. I was hooked from the first book. Slow cooking has changed my life. I am a cookbook junkie and have not bought another cookbook since I purchased all three Slow Cooker Central books from the trusted bestselling Slow Cooker Central series. Comes a book packed with more than 200 recipes that your kids will love to eat and are simple enough for them to help cook. How do we know that because these are recipes from real mums and dads who've road tested these dishes in their own families with their own kids. With so many recipes to choose from, you don't need to cook the same old boring meals week in, week out. You can try something new with the confidence that there will be smiling faces and happy tummies at the table.
