this comprehensive guide removes some of the uncertainty providing practical steps a support and information base and a thorough list of online resources

approximately 11 million people live in the united states illegally having crossed the borders without permission to find a better life many americans are calling for reform to the nation s immigration policies although there is substantial disagreement about what reform should look like trapped in the middle of the often angry rhetoric over immigration reform are an estimated 5.5 million children who are either undocumented or live in mixed status households this book informs readers about the experiences of these children and teens although america is the only home most of these young people have ever known they face many difficulties and risks because of their own or their family members immigration status gripping text provides facts about the issue and puts a

human face on the immigration debate

hayes analyzes the situation of undocumented immigrants in the u s and what happens to them in the aftermath of implementation of two key provisions of the 1986 immigration reform and control act irca legalization and employer sanctions referred to by legislators as a generous and compassionate bill that would legalize much of the undocumented population in our midst it resulted instead in placing a highly vulnerable silent subclass in deeper jeopardy hayes traces the history of undocumented immigration congressional debate and implementation of irca and provides direct access to the faces of the undocumented through original empirical research on the social and economic impact of irca on specific groups of undocumented haitian irish and salvadoran immigrants the general theme is america s ambivalence towards its historic lifeline new immigrants whether legal or undocumented and how the two central provisions of irca uniquely embodied within the same piece of legislation contradictory and ambivalent attitudes toward immigrants which became the seeds of its implementation difficulties hayes looks at the issue of undocumented immigration from a legislative policy human rights and implementation perspective but she also points beyond national strategies to push factors emanating from the home countries of the undocumented and makes the case that undocumented immigration is a global social problem that needs global solutions the book is of particular interest to policy makers scholars and other researchers and students involved with social policy and welfare immigration law and ethnic studies

in this young readers adaptation of his adult memoir dear america pulitzer prize winning journalist and undocumented immigrant jose antonio vargas tells his story in light of the 12 million undocumented immigrants currently in the united states jose antonio vargas was only twelve years old when he was brought to the united states from the philippines to live with his grandparents he didn t know it but he was sent to the u s illegally when he applied for a learner s permit he learned the truth and he spent the next almost twenty years keeping his immigration status a secret hiding in plain sight he was writing for some of the most prestigious news organizations in the country only after publicly admitting his undocumented status risking his career and personal safety was vargas able to live his truth this book asks questions including how do you define who is an american how do we decide who gets to be a citizen what happens to those who enter the u s without documentation by telling his personal story and presenting facts without easy answers jose antonio vargas sheds light on an issue that couldn t be more relevant

usa research report on local level labour market and economic implications of irregular migrants in the county of san diego covers impacts of removal of undocumented migrants on agricultural development economic development labour shortage in the hotel industry and unemployment discusses income consumption tax general taxation welfare health service costs educational expenditure and penal sanctions and considers frontier workers etc graphs questionnaire and references

after 25 years of living illegally in a country that does not consider me one of its own this book is the closest thing i have to freedom jose antonio vargas from dear america dear america notes of an undocumented citizen is an urgent provocative and deeply personal account from jose antonio vargas a pulitzer prize winning journalist who happens to be the most well known undocumented immigrant in the united states born in the philippines and brought to the u s illegally as a 12 year old vargas hid in plain sight for years writing for some of the most prestigious news organizations in the country washington post the new yorker while lying about where he came from and how he got here after publicly admitting his undocumented status risking his career and personal safety vargas has challenged the definition of what it means to be an american and has advocated for the human rights of immigrants and migrants during the largest global movement of people in modern history both a letter to america and a window into vargas s america this book is a transformative argument about migration and citizenship and an intimate searing exploration on what it means to be home when the country you call your home doesn t consider you one of its own freshman common read st edward s university louisiana state university st catherine university st bonaventure university

ingram philosophy loyola university brings a variety of current social dilemmas together in a mutually illuminating way he examines the concept of legal equality in a multiracial society by considering issues such as self governance for native americans the rights of immigrants affirmative action and racial redistricting tie also tackles the problem of social injustice in a global setting by assessing the negative impact of free trade policies on the rights of groups to self determination and cultural integrity

the united states is a nation of immigrants since the declaration of independence but especially since the mid nineteenth century
