kant s dog provides fresh insight into borges s preoccupation with the contradiction of the time that passes and the identity that endures by developing the implicit logic of the borgesian archive which is most often figured as the universal demand for and necessary impossibility of translation kant s dog is able to spell out borges s responses to the philosophical problems that most concerned him those of the constitution of time eternity and identity the determination of original and copy the legitimacy of authority experience the nature of language and the possibility of a decision and the name of god kant s dog offers original interpretations of several of borges s best known and most important stories and of the works of key figures in the history of philosophy including aristotle saint paul maimonides hume

locke kant heidegger and derrida this study outlines borges s curious relationship to literature and philosophy and through a reconsideration of the relation between necessity and accident opens the question of the constitution of philosophy and literature the afterword develops the logic of translation toward the secret at the heart of every culture in order to posit a borgesian challenge to anthropology and cultural studies

frances hodgson burnett gained fame not only as an author of social fictions and romances but also for writing the immensely popular children s novel little lord fauntleroy she seemed an unlikely candidate to pen a quiet realistic and unsentimental paean to disagreeable children and the natural world which has the power to heal them but it is precisely these qualities that have garnered the secret garden both a continued audience and a central place in the canon of children s literature for a century in frances hodgson burnett s the secret garden a children s classic at 100 some of the most respected scholars of children s literature consider burnett s seminal work from modern critical perspectives contributors examine the works and authors that influenced burnett identify authors who have drawn on the secret garden in their writing and situate the novel in historical and theoretical contexts these essays push beyond the themes that have tended to occupy the majority of academic scholars who have written about the secret garden to date in doing so they approach the text from theoretical perspectives that allow new light to illuminate old debates scholars and students of children s literature women s literature transcontinental literature and the victorian edwardian period will find in this collection refreshing new looks at a children s classic

by illuminating the striking affinity between the most innovative aspects of postmodern thought and religious mystical discourse shadow of spirit challenges the long established assumption that western thought is committed to nihilism this collection of essays by internationally recognised scholars explores

the implications of the fascination with the sacred divine or infinite which characterizes much contemporary thought it shows how these concerns have surfaced in the work of derrida baudrillard lyotard kristeva irigaray and others examining the connection between this postmodern turn and the current search for a new discourse of ethics and politics it also stresses the contribution made by feminist thought to this unexpected intellectual direction
