home cooking is crucial to our lives but it is not necessary to our survival over the past century it has become an
everyday choice even though it is no longer an everyday chore by looking closely at the stories and practices of
american home cooks witnessing them in the kitchen and at the table amy b trubek reveals our episodic but also
engaged relationship to making meals making modern meals explores the state of american cooking across all its
varied practices whether cooking is considered a chore a craft or a creative process trubek challenges current
assumptions about who cooks who doesn't cook and what this means for culture cuisine and health contending that
cooking has changed in the past century she locates identifies and discusses the myriad ways americans cook in the
modern age in doing so she argues that changes in making our meals from shopping to cooking to dining have
created new cooks new cooking categories and new culinary challenges provided by publisher
