michael apple offers a powerful analysis of current debates and a compelling indictment of rightist proposals for change apple presents the causes and effects of further integrating schools into the corporate agenda as well as current calls for a national curriculum and national testing privatization and voucher plans and fundamentalist religious pressures to censor textbooks he demonstrates who will be the winners and losers culturally and economically as the conservative restoration gains in strength bringing with it an even greater restratification of knowledge and students in terms of race class and gender

by explaining the theoretical context and highlighting relevant research evidence this book supports a whole child approach to learning in the early years drawing on case studies from a wide range of early years settings the chapters consider how the different professions in education health and social care can work together to achieve the best possible outcomes for all young children included are chapters on theories of learning partnerships with parents and carers motivation and self esteem diversity inclusion thinking skills approaches to play engaging early learners leadership and management multi agency working the links made between theory and practice and the practical suggestions for how to make this happen in any early years setting make this book a vital text for all early years students

government policies at the state local and federal levels have always shaped the daily lives of u s schools issues of equity and access dominate and the newer issue of global competition is also important this volume of essays by noted theorists and practitioners considers current educational policy issues topics and contributors include achievement and mobility aaron pallas tracking maureen hallinan dropouts gary natriello governing the big city school system kenneth wong international and comparative analysis rolland paulston politics of a national curriculum michael apple school leadership james cibulka parental and community involvement mary driscoll advocacy judith cohen reform and policy kathy borman et al an index is provided

provides an accessible discursive and scholarly treatment of the key contemporary issues in uk public law

the literature on rural america to the extent that it exists has largely been written by urban based scholars perpetuating out of date notions and stereotypes or by those who see little difference between rural and agricultural concerns as a result the real rural america remains much misunderstood neglected or ignored by scholars and policymakers alike in response emery castle offers the changing american countryside a volume that will forever change how we look at this important subject castle brings

together the writings of eminent scholars from several disciplines and varying backgrounds to take a fresh and comprehensive look at the forgotten hinterlands these authors examine the role of non metropolitan people and places in the economic life of our nation and cover such diverse issues as poverty industry the environment education family social problems ethnicity race religion gender government public policy and regional diversity the authors are especially effective in demonstrating why rural america is so much more than just agriculture it is in fact highly diverse complex and interdependent with urban america and the international market place most major rural problems they contend simply cannot be effectively addressed in isolation from their urban and international connections to do so is misguided and even hazardous when one fourth of our population and ninety seven per cent of our land area is rural together these writings not only provide a new and more realistic view of rural life and public policy but also suggest how the field of rural studies can greatly enrich our understanding of national life

contains the reports of state departments and officials for the preceding fiscal biennium
