this book helps teachers principals superintendents and all educators develop a repertoire of tools and skills for comfortable and effective interaction with parents it shows you how to deal with the parent who is bossy volatile argumentative aggressive or maybe the worst apathetic it provides specific phrases to use with parents to help you avoid using trigger words which unintentionally make matters worse it will show you how to deliver bad news to good parents how to build positive credibility to all types of parents and how to foster the kind of parent involvement which leads to student success

the present volume proposes different international scientific contributions coming from professionals and researchers interested in teaching learning and social interactions within a range of various educational settings these scientific investigations as well as professional experiences as teachers are interconnected because they are built around the connections between teachers students and parents the chapters offer a plurality of methodologies and approaches dealing with different educational aspects related to adults and children s involvement in various cultures the contributions propose a set of analyses of the relationships between school and family in risk situations and within different dialogical frames the chapters assume specific perspectives in considering the family school interactions and incorporate analytical reflections connected to specific situations such as the covid 19 pandemic and the question of inclusive education the volume intends to foster a new comprehension of the dynamics involving school actors and families each contribution looks at the interconnections between teachers students and parents in order to highlight the centrality of the role of social actors within various educational settings in which the

processes of teaching and learning are developed in this sense schools and families are presented as communities continuously engaged in interpersonal relationships and soliciting various processes of appropriation of cultural semiotic professional and emotional resources the volume proposes approaches that are useful to better understand how teachers students and parents can contribute in different and complementary ways to build meaningful frameworks for the processes of teaching and learning

educator and parent gwen rudney offers straightforward strategies and suggestions to help teachers collaborate with parents to improve life and learning for all children

1st 72nd include the annual report of the secretary of the board

parent teacher meetings are more than just scheduled appointments they are pivotal moments in a student s educational journey these meetings serve as the cornerstone of communication and collaboration between home and school providing opportunities for parents teachers and students to come together share insights and work towards common goals as educators we understand the importance of fostering strong partnerships with parents and caregivers to support student success and well being likewise parents recognize the value of being actively engaged in their child s education seeking guidance support and partnership from their child s teachers and school community it is within this context that we present parents teachers meetings concerns of parents teachers and students this book is born out of a shared commitment to enhancing parent teacher interactions and empowering all stakeholders to play an active role in supporting student learning and development through insightful chapters practical examples and valuable resources this book explores the diverse perspectives concerns and aspirations of parents teachers and students in the context of parent teacher meetings from understanding the unique challenges faced by each stakeholder to exploring effective communication strategies and addressing specific concerns this book offers a comprehensive guide for navigating the complexities of parent teacher interactions drawing upon research best practices and real life experiences we invite readers to get on a transformative journey of reflection learning and collaboration whether you are a parent seeking to enhance your involvement in your child s education a teacher striving to

strengthen your collaboration with families or a student eager to contribute to meaningful dialogue this book offers valuable insights and resources to support your journey we extend our deepest gratitude to all the educators parents and students whose dedication passion and commitment inspire us every day may this book serve as a catalyst for fostering stronger more collaborative partnerships between home and school and may it empower all stakeholders to play an active role in supporting the success and well being of every student warm regards dr sanjay kumar ph d

in this funny heartfelt and passionate call to arms gabbie stroud makes a plea to all parents to understand their roles as their children s lifelong teachers and show how they can best help their kids teachers and schools achieve the best results for the next generation of leaders written by gabbie stroud author of the national bestseller teacher dear parents is a passionate call to arms for all parents to understand their role as their children s lifelong teachers showing how they can help their kids educators and schools achieve the best outcomes for the next generation so many australian parents are buying the government line about standardised testing of students through programs like naplan and my school which make them think they are getting results because of rankings and comparisons but they don t seem to realise that these new forms of assessment are actually negatively affecting our kids ability to gain the crucial life skills and appreciation for learning that have been and should be the main aim of teaching in dear parents a funny heartfelt and impassioned series of letters to the mothers fathers and caregivers of australia gabbie stroud makes a plea to all parents to understand the fundamental changes to the way their children are being taught and the results of this process on the development of future generations she wants parents to recognise their responsibility as their children s primary educators and to appreciate the lifelong benefits that committed and dedicated school teachers can bring to their kids a moving and inspiring journey through teaching and learning and all they can be if you have a young person in your life or know somebody who does please read this book morris gleitzman australian children s laureate gabbie stroud s dear parents is a crucial bridge between two important pillars in education parents and teachers but most importantly it holds at its passionate heart the best interests of children if you want to understand the way your children are being educated in these challenging times and whether the system is fit for purpose you must read this funny

informative and eye opening book lucy clark author of the critically acclaimed beautiful failures
