nicholas sumner is a photographer whose work has been published in twenty nine travel guide books this  
his first travel narrative recounts the story of a seven year journey across asia in pursuit of beautiful pictures  
before i left home i thought that i knew something about photography but i found that what knowledge i  
had was more hindrance than help and i had to admit that really i didn t know anything at all this was  
humbling and a little frightening but it was also the beginning of a process of discovery in which my  
expectations as a photographer and as a traveller were constantly challenged reassessed and revised i  
experienced moments that were terrifying and sublime hilarious and tragic i was mugged threatened with  
guns and arrested i journeyed among mountains through jungles and cities i encountered deserts both  
spiritual and physical saw things so beautiful that they moved me to tears and received kindness so absolute  
that i can never repay it i knew both joy and despair i ate kangaroo pie discovered the exact monetary  
value of my eyebrows and i fell in love twice his journey became much more than a quest for great images  
travelling and photography are pursuits of the curious they complement and sometimes conflict with one  
another but both are driven by a desire to observe and a hunger for insight both can touch the spirit move  
the heart and both can reveal truth

my professional career has been as a graphic designer it required utilization of text illustrations and  
photography to design and communicate ideas for commercial assignments to those ends i ve relied on stock  
photos as well as working with professional illustrators and photographers the reliance on photography i feel  
has conditioned my eye to take unusual images myself and has promoted a pleasurable hobby in retirement  
initially my nikon 35mm was my primary camera but more recently the photographic technology of our  
cellphones has greatly increased taking images with the ease of having multiple choices quickly on the fly  
occasionally a more controlled organization of items for a still life photo requires attention to details to set  
up this book is a selection of photos over a 30 year span enjoy karl tani 2025

from june until september 2014 we went on the great adventure that became our first round the world trip  
over these three months we lived out of our suitcases slept in a different bed every other day set foot in a

new country every fifth day were on a plane every fourth day and loved every minute of it this is book is the photographic journey of our first round the world trip which took us from bulgaria to germany guatemala the usa hawaii japan indonesia hong kong macau malaysia singapore new zealand australia the uae oman jordan and back again you will find our thoughts and impressions alongside over 300 photos if you are planning your own round the world adventure you will find some tips and our itinerary at the end of the book

welcome to urban wings a photographic journey of city birds as a bird photographer mukund has had the unique privilege of capturing the intricate beauty and essence of avian life in and around the wetlands of urban landscapes this book aims to showcase the diversity and allure of birds that enrich our cities captivating viewers with their presence and resilience amidst the concrete jungles and the cacophony of human activity these feathered inhabitants often go unnoticed blending seamlessly into the background however a closer look by mukund reveals a fascinating array of species that have adapted and thrived within our metropolitan settings and adjoining wetlands as urban sprawl encroaches upon green spaces mukund believes it becomes increasingly vital to acknowledge and celebrate our urban avian neighbors through the pages of this book mukund invites readers to embark on a visual adventure unveiling the secret lives of these city and wetland dwelling birds from majestic raptors soaring above skyscrapers to delicate songbirds serenading in urban wetlands and city parks each photograph within these pages tells its own unique story of survival and adaptation

this book contains magnificent photos with clarity colors and extraordinary views of everyday things and sublime landscapes a pleasure to look at and to learn about the beauty of our world a vibrant unique and compelling photography book that will make a wonderful gift across coasts lands unique angles and destinations vision weaves images from numerous journeys that like all pictures have a deeper narrative than the apparent visual

i hope to rekindle in this book a photographic journey a book of days the fascination that nature holds for people of all ages the beauty rest peace and relaxation i hope you will find this through my photographs as you walk the same paths and trails as i have throughout my year of travel i am including links and websites for the reader to log on to so you will be able to find the location of some of the parks reserves and state forests who knows i may meet you one day along a forest path

providing a unique glimpse into the lens of a world war ii merchant mariner this collection chronicles personal life defining experiences beginning and ending on america s east coast and circumnavigating the globe in between this photographic essay is the crowning work of a humble man who embraced art to capture history and celebrate the american experience his voyage leads to the sandy shores of normandy the horror of hiroshima and on to a triumphant return to the port of los angeles these destinations and niewenhous postwar travels to the caribbean south america the philippines and ultimately back home to the back roads of his native america form the fabric of a vibrant 60 year journey memorialized in this rare photographic collection these images capture the human condition risky circumstances forbidden passages and stunning natural vistas

a compilation of images from various locations around the world with instructive and thoughtful text

join award winning explorer and photographer levison wood on his extraordinary journeys around the world vividly revealed in his first photography book a compelling visual record of a career spent at the extremes sunday telegraph levison wood s new book is all the travelling you need to do this year bringing together 140 of his most striking photos selected from over a decade on the road it offers a stunning portrait of the vastly different places people and lives the world contains and which most of us will never see gentleman s journal from images documenting his time in war zones to encounters with communities who have returned to traditional ways of life in the face of ecological disasters wood s photographs offer a unique insight into the resilience and resourcefulness of those living in some of the least accessible places on the planet chapters include frontiers wood s intrepid ventures to remote environments conflict covering not only the front line

battles but also the long term devastation of war heritage documenting his observations on ancient practices co existing with modern technology and community his record of the universal importance of family roots cultural identities and community ties with his unique experiences in extraordinary locations and his eye for compelling compositions wood has created a powerful collection of images that celebrates humanity in all its variety

combines spectacular colour photographs with informative text to capture the essence of china and bring this fascinating and extraordinary country to life

a photographic journey of artist and documentary photographer nicholas reichard covering work from his first roll of film in early 2015 until the moment he became a father in 2018 the stories and black white images focus on his adventures from thru hiking to street photography all around the world

since early in its history photography has been used by a diversity of travellers whose collected photographs have been compiled into albums but photographic travel as a genre of art did not appear before the second half of the twentieth century and had a singular fate and fortune in the us as well as in europe the initial objective of some itinerant photographers is to make a book their shooting practice is conditioned by this objective as well as their travel experience their books designed as one coherent hole refer to their wandering experience even though their stories are never completely free from fiction in these books their travels are converged and their subjectivity is revealed it is therefore relevant to call such books made of photographs and possibly words about the travel experience photographic travel books comparably to travel books danièle mēaux has tackled the task of characterizing this genre

who is boswell boswell is the pseudonym for an award winning freelance photographer with engaging and sometimes controversial stories to tell you ve likely seen his photos in national and international magazines books and travel brochures this ebook will describe how an inspiration during his early years in a tiny rural midwestern town led to a life spent traveling in 130 countries on all seven continents and how a successful business was built by producing a prolific number of marketable photos as a professional stock and assignment photographer filled with entertaining anecdotes and accompanied by 99 photos boswell s journey takes readers inside some of the most colorful aspects of editorial and corporate photography landing and executing magazine assignments gaining special access required entrance to exclusive corridors of privilege seeking serendipity in the world s streets and cruising the world s seas and oceans as well as uncovering some dark sides of the industry just a few stories include waiting for mandela chasing doctor death repatriating skyjackers from cuba attending zimbabwe s first session of parliament surviving the drake passage standing on stage with the lord of the dance roving the pits with famous race drivers hanging with a piston bad boy chumming with sparky in the tigers locker room and being interviewed by oral historian studs turkel while taking his portrait one of the first americans to visit mao s china during the cultural revolution boswell returned over fifty times to produce books on china including a very large one stolen by the french several chapters of his unlikely story are devoted to travels in china how specializing in that country proved a key to his photographic success and why he fell in love in a rice paddy

over the course of 10 months from march through december photographer and designer sheryl checkman traversed new york city and its environs by foot bike ferry and occasionally by car camera in hand seeking out the beauty in nature as a reaction to the devastating covid 19 pandemic the resulting book 2020 my photographic journey through an isolating year documents her ability to see past the loneliness of social distancing and through the lens of her camera to find inspiration and some positive brightness in an otherwise bleak year this book is also available in a smaller 10 x 8 version in both hard and softcover visit sheryl s profile page to access the other size options
